

# VILLAGE OF TIVOLI TREE FACT SHEET

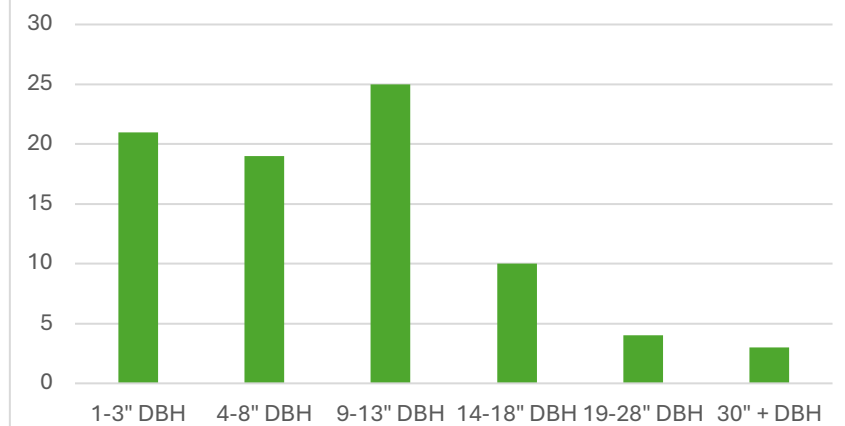

Based on 2023-2024 inventory of trees on public land collected by the Village of Tivoli Tree Committee. More information on the Village webpages at: <https://tivoligreen.org/>

There are **84 trees** growing on public property in the Village of Tivoli. Of these 84 trees, 29% were planted within the past 10 years! By measuring the diameter of each tree's trunk, we found that many of Tivoli's trees are mid-sized with an estimated **average trunk diameter of 10 inches**.
